

REMARKS

Claims 47-88 are pending in the present application.

The Examiner has required election in the present application among:

Group I, claims 74-76, 87, drawn to regulating the immune system;

Group II, claims 77-84(part), 88(part), drawn to treating viral disorders;

Group III, claims 77-84(part), 88(part), drawn to treatment of dermal disorders; and

Group IV, claims 77-84(part), 88(part), drawn to treatment of allergies.

For the purpose of examination of the present application, Applicants elect, without traverse, Group IV, Claims 77-84(part), 88(part).

Applicants note that claims 47 – 88 are pending in the present application, though the Examiner has only required restriction among the various method claims. Therefore, Applicants suppose that the composition claims 47-73, 85 and 86 will be examined together with the presently elected Group IV subject matter.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Mark J. Nuell, Registration No 36,623 at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.
